ORDER

It has come to the notice of this office that some members of the public are making multiple online payments in cases where the payment does not appear to be processed immediately due to technical glitches.

All concerned are hereby informed that **double payments must be strictly avoided**. If an online payment has already been made and is not reflected due to a technical issue, **please do not attempt to make another payment immediately**.

You are advised to **wait for a period of two (2) working days** to allow the system to update and process your transaction. If the payment is still not reflected after this period, you may visit the office of the Joint Director of Sports during working hours along with proof of transaction for resolution.

In case a double payment is made, the department will not be held responsible for any such duplicate transactions or refunds arising thereof.
